

# CALIFORNIA PROPOSITION 65 STATEMENT

## California Proposition 65

Prop 65 requires that a “clear and reasonable warning” be provided by a Person/Company in the course of doing business, who manufactures, produces, assembles, processes, handles, distributes, stores, sells, or otherwise transfers a consumer product which he or she knows to contain a chemical known to the state to cause cancer or reproductive toxicity to any person to whom the product is sold or transferred.

Some products produced by Vanamatic Company contain chemicals listed on the California Proposition 65 list of chemicals that might cause cancer or reproductive harm such as lead, nickel and chromium. This statement serves as notification of the presence of these chemicals.

Customers may request an SDS (Safety Data Sheet) for the material used to produce customer purchased products. The warning statement below applies to products supplied by Vanamatic company.

**WARNING!**

This product can expose you to chemicals including lead, nickel, and chromium which are known to the State of California to cause cancer, birth defects, or other reproductive harm.
